Up and Running

Thanks to all the enthusiastic responses we've received from everyone, the Consortium of Accident Reconstruction Specialists has been able to schedule its first quarterly meeting for Monday, April 13, 1998. Future meetings will be scheduled with further advanced notice.

Our first meeting location and time is as follows:

Hosted by: Kevin Cassidy

Phone: (408) 277-4654

At: San Jose Police Department Room 314

201 West Mission St.

San Jose, CA 95110

Date: April 13, 1998

Time: 8:30 AM - 12:30 PM

At our first meeting you will receive a new C.A.R.S. binder with member information for your reference. Special issues currently on the agenda are discussing and choosing a Board of Directors and creating a Training "Wish List."

Enclosed is a copy of results of the questionnaire you responded to for your information. We appreciate your feedback, and look forward to other helpful information in the future.

In order to ensure a successful turnout at our first scheduled meeting, we have enclosed a response card to plan for attendance purposes. Please feel free to invite other interested parties.

To the right are brief descriptions of upcoming classes. If you have any information to share regarding upcoming classes, please bring it to the meeting.
